3. PRODUCT DESCRIPTION
USES: StegoCrawl Wrap 6-Mil Vapor Retarder is used to encapsulate crawl space floors and walls to protect the building envelope from moisture vapor and soil gas transmission. It exceeds building code requirements for a Class I vapor retarder in new or existing crawl space encapsulation projects.

COMPOSITION: StegoCrawl Wrap is a multi-layer plastic extrusion manufactured with only the highest grade of prime, virgin polyolefin resins.

FEATURES AND BENEFITS:
• Clean, white color to brighten a crawl space
• 36” roll core for easy maneuverability in a crawl space
• Lightweight roll for ease of installation
• Class I Vapor Retarder
• Zero VOCs
• Life of the Building™ Warranty
• Made in the USA
• No odor

5. INSTALLATION

CRAWL SPACE: Unroll StegoCrawl Wrap over entire crawl space floor area. Overlap seams a minimum of six inches and seal with StegoCrawl Tape. Some codes require a minimum twelve inch overlap. Check appropriate codes prior to installation. All penetrations and columns should be sealed using StegoCrawl system accessories.

Extend StegoCrawl Wrap up the foundation wall. Seal and fasten to wall using StegoCrawl system accessories. Consult local building codes to determine the height at which to terminate StegoCrawl Wrap.

For additional information, please refer to StegoCrawl’s complete installation instructions.

6. AVAILABILITY & COST

For cost and availability of StegoCrawl Wrap, please contact your local Stego Industries’ Sales Representative.

7. WARRANTY

Stego Industries, LLC believes to the best of its knowledge, that specifications and recommendations herein are accurate and reliable. However, since site conditions are not within its control, Stego Industries does not guarantee results from the use of the information provided herein. Stego Industries, LLC does offer a limited warranty on StegoCrawl Wrap. Please see stegoindustries.com/legal

8. MAINTENANCE

Periodically check to ensure seams are secure and damage is repaired using StegoCrawl Accessories.

9. TECHNICAL SERVICES

Technical advice, custom CAD drawings, and additional information can be obtained by contacting Stego Industries or by visiting the website.
