</tbody>
</table>

5. INSTALLATION
Beast Hook can be used in place of traditional cast steel screed hooks. Fits import and domestic round nail stakes up to 3/4” diameter. Also fits on most #4, #5 or #6 rebar. Or use with Beast® Foot and Beast® Form Stake and make it a vapor barrier-safe overhead screed system. Utilize the sight windows on the side of Beast Hook to locate a pre-marked grade line.

For additional information, please refer to Beast’s complete installation instructions.

6. AVAILABILITY & COST
Beast Hook is available through our network of building supply distributors. For current cost information, contact your local Beast® Concrete Accessories distributor or Stego Industries’ Sales Representative.
7. **WARRANTY**
