

STEGO®

INDUSTRY-LEADING BARRIERS
AND UNRIVALED SUPPORT

Our clients have made **Stego Wrap** the most widely-specified below-slab vapor barrier in North America.

Stego brings not only an unmatched track record of proven performance but also an express warranty in support of your building - **The Stego Life of the Building™ Warranty**

VAPOR BARRIERS AND RETARDERS

Stego Wrap Stands the Test of Time

Stego® Wrap

- Stego Wrap 20-MIL Vapor Barrier (Class A)
- Stego Wrap 15-MIL Vapor Barrier (Class A)
- Stego Wrap 10-MIL Vapor Retarder (Class A)

ACCESSORIES

Stego has the accessories you need to complete an ASTM E1643-compliant installation.

STEGO® TAPE

This adhesive is pressure-sensitive, making it ideal for sealing Stego Vapor Wrap seams and penetrations.

STEGOTACK® TAPE

A double-sided adhesive strip used to bond and seal Stego Wrap to concrete, masonry, wood, metal, and other surfaces.

STEGO® CRETE CLAW® TAPE

A multi-layered tape/detail strip that will mechanically seal Stego Wrap Vapor Barrier to concrete.

STEGO® MASTIC

A liquid vapor retardant membrane, designed to be used with Stego Wrap, for sealing utility and pipe penetrations.

ADDITIONAL ACCESSORIES: • STEGO® TERM BAR • STEGO® PRE-CUT PIPE BOOT

TERMITE/VAPOR BARRIER

Your **2-in-1 Solution** Barrier Solution

KEEP AN EYE ON EFFICIENCY® WITH BEAST® CONCRETE ACCESSORIES

VAPOR BARRIER SAFE!

Beast® Screed is a fixed-elevation, point-to-point guide screed system designed to replace common wet-screed methods.

Now concrete placement crews can utilize the Beast Screed System on elevated deck pours with **Beast® Deck Foot**.

Improve efficiency and maintain concrete floor levelness with the Beast Screed System!

Beast® Hook is a **faster, easier** way to set 2x4 overhead screeds. Use **Beast® Foot** and **Beast Form Stake** and make it a vapor barrier-safe screed system.

Locate it and lock it down!

Beast® Form Stake can be used with **Beast Foot** as part of the Stego vapor barrier-safe forming system which meets ASTM E1643 requirements.

Preventing punctures in the vapor barrier.

STEGO TRAINING

Stego Offers Free Training: In Person and Webinar On a Variety of Industry Specific Topics

You'll learn the most up-to-date information for meeting industry benchmarks (per ASTM standards and ACI guides) so you can provide your clients with the criteria necessary to protect their buildings from moisture-related issues.

WHAT **STEGO**[®] BRINGS TO THE JOB

When it comes to building construction, don't take the vapor barrier installation lightly. After all, it is there to protect the building's vital foundation from the threats lurking below the slab.

Stego's industry-leading barriers and unrivaled support equip you with the confidence to create resilient foundations for buildings where people work, learn, and gather.

We help keep you up to speed on the latest installation methods.

Stego Installation Support provides project specific guidance whenever needed.

How can we help you with your upcoming projects?

LET'S TALK.
